

Message from our President – Mary Modica

Dear Brothers and Sisters,

As much as we were able to continue our lodge work via Zoom, I think we would all admit that nothing takes the place of connecting in person. Each month we have introduced more activities and the attendance has been great and increasing.

October has been an extremely busy month for Italian Americans and there have been countless activities for us to come together and show our pride in our culture and heritage. About fifty members and guests attended the presentation on Religion and Superstitions in the Lives of Italians and Italian Americans. Sal Primeggia informed and entertained us with stories and beliefs held by many. From the chatter and smiles on faces, you knew people were recalling stories they heard or experienced. Many wreath laying ceremonies took place on Long Island and in New York City, and on October 9th Cellini members gathered at the Discoverers' Monument by Marcus Christ to lay a fresh wreath. Everyone loves a parade and our members led by Queen, Julianna Squillante, and our King, Michael Vitucci, were ready to march in Huntington and walk to the grandstand where our Cellini nominee, Anthony D'Urso, would be waiting to greet us. I, too, was all set to ride in a Ferrari. However, the forecast for heavy rain came and dampened our spirits, but not our pride, as the parade needed to be cancelled. Instead, the following day Cellini traveled into Manhattan and paraded up Fifth Avenue. It's always a good time to catch up with fellow OSDIA members and it was even better that we were on TV. Plans are underway to have a dinner in November to recognize our parade Grand Marshalls, Honorees and our King and Queen.

I was thrilled to continue celebrating the month by attending our annual Halloween Sock Hop. An enthusiastic crowd cheered when they were greeted and were welcomed back. Those in attendance wasted no time in taking to the dance floor as The Accords sang their favorite tunes. Costumes were creative and a topic of conversation. This evening is always lively and enjoyable and this night was no different. Congratulations to Anthony Calabro, Val Huges and their committee for the successful event.

The busy month continued as I was honored to receive the Italian American Leadership Award from Italian Charities of America at the 85th Annual Dinner Dance at Roma View in Howard Beach. What made the day even more special was the support I received from my family, Cellini members and friends who attended the dinner. As I said in my acceptance speech, "a leader does not do it alone. The support of family, friends and members are appreciated and needed."

A picture says a thousand words and this issue has an array of pictures for you to enjoy. Pour yourself a glass of vino, an aperitif, or a cup of espresso, or grab a bottle of Poland Spring water, or a can of soda and take some time to share in our memories for October 2021.

Fraternally,

Mary

STUDENT SCHOLARSHIP THANK YOU NOTE . . .

August 6, 2021

Dear President Modica:

I would like to take this opportunity to thank you, the lodge officers and all of the members for presenting me with the two scholarships that I received. I am sorry that I was not able to attend in person to receive these great honors. As my father mentioned at the ceremony, I was away in Greece trying to enjoy one last vacation before I left for indoctrination to the US Merchant Marine Academy. In fact, that is where I am now writing this letter. I made it through indoctrination and am officially a Plebe.

I was so honored to learn that I received the highest Gold scholarship and the Sciame family scholarship. (Special thanks to Mr. Joe Sciame and family!) I am very proud of my Italian heritage and look forward to becoming a member of your great lodge. I am so thankful for all the work that the officers and members do to promote Italian heritage and culture. I promise I will do whatever I can in the future to make the lodge proud.

Kind Regards,

Giovanni Tallini

CONGRATULATIONS . . . Cellini President, Mary Modica, Honored by Italian Charities of America Sunday, October 24

Mary Modica was born in Brooklyn, New York to Helen Gulino Modica and Gaspar Modica. She has an older sister, Nina, and a younger brother, Vincent. She traces her Italian roots to Sicily through her maternal grandparents, Maria Di Giovanna and Vincent Gulino from Sciacca and her paternal grandparents, Antonina Di Giovanna and Vincenzo Modica from Menfi, all who arrived in New York in the late 1880's looking for a better life.

She attended St. Martin of Tours Elementary School in Brooklyn before moving in fourth grade to St. Matthias Elementary School in Ridgewood, Queens. Upon completing grammar school, she enrolled in Our Lady of Wisdom Academy in Ozone Park. A career as an elementary teacher was her goal and she graduated with a B.S. in Elementary Education from St. John's University. While in St. John's, she was the Historian of her sorority, IOTA SIGMA PHI and then became its President. While teaching full time in the Commack Schools, she furthered her career by attending Hofstra University and obtaining a M.A. degree in Elementary Education. After teaching in Commack for 20 1/2 years and earning a Professional Diploma in Administration from C. W. Post where she was a member of Phi Delta Kappa, Mary relocated to Columbia County for her first position as a building and elementary administrator. A short time later she returned to Long Island and accepted a position in the Southampton Schools, and then closer to home in the Island Trees School District where she retired as Principal of the J. Fred Sparke Elementary School competing a successful and rewarding career in education of forty-one years. During her career, she received numerous plaques and awards from organizations such as the Nassau County Principals' Association

where she was its Treasurer. Mary also received the NYS Congress of Parents & Teachers Life Member Award and the National PTA Life Achievement Award. The Kiwanis Club presented her with their Everyday Hero Award and she also received recognition from the Boy Scouts and the NYC Fire Department Company E325 L163 Woodside Warriors in helping the Company and their families deal with tragedies.

Retirement afforded Mary the opportunity to travel and to do what she loves best, VOLUNTEERING. Having previously volunteered at the American Cancer Society in Queens for Making Strides Against Breast Cancer and their Relay for Life, she started volunteering regularly for ACS. Before long she had her own desk, was working the banking tent at Strides, helping an ACS manager raise over \$100,000 at a Relay for Life at Fort Totten and then serving on the Executive Board of ACS in Queens. Missing her involvement with children, Mary gave her time and energy to Make a Wish. As a wish granter, she recruited other wish granters and met with over thirty-seven wish children working with their families to grant these children their wish, an extremely rewarding experience. However, her volunteer activities did not end there. She coordinated volunteers for the Nassau County Department of Social Services Children's Room and worked at the Nassau Country's Department boutique. She continues to volunteer for Island Harvest doing food rescues, golf outings and supermarket collections. Other organizations where she is involved are the Brentwood Shelter, New Hyde Park Chamber of Commerce and Hope for Youth.

In April 2015 Mary joined the Cellini Lodge No. 2206, Sons of Italy in America. Currently, she is President of the lodge which has over 370 members. She is on the State Scholarship Committee, the Gift of Sight Committee, has chaired the Student Summit and is Treasurer of the District II Presidents. On the Lodge level Mary held various elected positions including Orator and First Vice President. She has chaired the five-day annual Italian Festival, is on the lodge Scholarship Committee, has organized social events and is President of the Cellini Charitable Foundation. Mary's goals are to increase membership, especially among the young. She is continually looking for new opportunities where she can use her leadership skills and experiences to expand people's understanding and appreciation of our rich Italian Culture and Heritage.
